

1<sup>st</sup> July 2021

Dear Parent/Guardian

St. Louis High School will be running an extensive range of extra-curricular sporting activities during the coming school year. The programme will include **Athletics, Badminton, Basketball, Gaelic Football, Camogie, Rugby and Table Tennis** for students. Please see **provisional registration form overleaf.**

The school encourages all students to participate in these extra-curricular activities, not only for the health benefits and co-ordination skills gained from doing physical exercise, but also for the self-esteem, social skills, team work and sheer enjoyment that accrues from participation in sport.

**The registration fee to participate in the above clubs is €100.00 per annum. This fee covers membership in ALL CLUBS.**

In order to register, parents/guardians are asked to please:

- Complete the enclosed form and sign the permission slip for attending external sporting events and training throughout the year.
- Forward the appropriate fee. Cheques should be made payable to St Louis High School, credit card payments can be made in the school office.
- Return the above in an envelope marked '**Sports Registration**' to the school office **before Friday August 27<sup>th</sup> August 2021 or your daughter can bring it with her in early September.**
- You can also pay online using Easy Payments Plus. Log on to the school website [www.stlouishighschool.ie](http://www.stlouishighschool.ie) – click on PAY NOW with Easy Payments Plus and follow the directions on screen.

**Students may also join Sports Clubs during the course of the year.**

**We look forward to your daughter's participation in extra-curricular sport.**

Yours faithfully

*Paula McNamee*  
Sports Co-ordinator
